I sent the document in an email to both Heather Mason (FL) and Shawn Zinszer (District reg chief) and also reach-out to them by phone. Heather shared that she spoke with John Truitt earlier this morning and relayed that he said they would probably be able to address our edits as long as they were not significant. I left Shawn a voice-mail message and I'll keep you updated on any substantive developments. Tom

Thanks Mindy, I added the language (see attachment). I propose sending a short email to both FDEP and the District to transmit the draft document with a note to indicate.

Please

let me know if that works. Thanks! Tom

Attached is a revised document that includes all the language mark-ups but removes all of the comment balloons. If helpful I can transmit the document to FDEP this morning and

If OK, I would like to also transmit these edits to the District, but if it's better for me to instead inform them that we sent our edits to FDEP I can do that. I'll hold-off doing anything until I get y'all's response/thoughts on how best to proceed. Tom

Mindy – Regarding Dave’s response below **Ex. 5 AC/DP** I’m assuming he’s OK with Simma’s suggested language but he also seems to open the door for potential further edits. Do you think we’re good to go with the edits Simma suggested? I gave FDEP and the District a heads-up on Friday that we would likely have suggested edits early this week, and they both stressed the urgency of getting those as soon as possible. Tom

DELIBERATIVE

Dave,

Attached is a marked-up draft incorporating your recommended edits and responses to your comments by OGC and reviewed by David.

I spoke with Stacey and apparently Mr. James decided he wanted to sign the FL-Corps MOA when he heard about it. She will be briefing him on Tuesday so that he will be able to sign the MOA right away.

If you can take a look at the attached before Monday, R4 can share edits with FL. R4 will also let the district know that we have some edits.

Thanks!
